Secretary.

Moved that a committee of five on Permanent Organization, Rules and Resolutions, be appointed by the Chair. Chair appointed J. W. Emerson, of Iron; Aug. T. Harvey, of St. Louis county; H. S. Shaw, of Ste. Genevieve; Jo. Murphy, 24th ward; J. N. Burks, of St. Francois county.  
Committee on Permanent Organization reported as follows:  
For Chairman, Michael Callahan, of 23d ward.  
For Secretary, Eli D. Ake, of Iron.  
For Assistant Secretary, Henry Burns, of Perry.  
For Sergeant-at-Arms, Andrew J. Heinrichs, of 11th ward, with power to appoint as many assistants as may be necessary.  
That the rules of the House of Representatives of the United States be the rules governing this Convention.

ORDER OF BUSINESS.

That each county and ward be called for nominations—and when the list is completed, nominations be declared closed.  
That each ward in the city of St. Louis, and each county select one delegate, to be elected as the member of Congressional District occupies one of the most important positions in the Mississippi Valley, embracing within its vast commercial, manufacturing, mining and agricultural interests, in which Labor and Capital are alike involved, we favor such policy as will insure the prosperity and increased comfort and happiness of working men, and due security, and reasonable profit to Capital, and their harmonious co-operation, and thereby secure the greater development of the incomparable natural resources of this portion of our great State.

Resolved, That we favor liberal appropriations by Congress for the improvement of the navigation of the Mississippi River, especially between St. Louis and Cairo, and thereby cheapen the cost of transportation to the sea, and enlarge the commerce of the Mississippi Valley of which our great metropolis is the center. And,  
Resolved, That we thank the Hon. Martin L. Clardy for his efforts to secure these results in the past, and for

his devotion to duty, and the statesmanlike manner in which he has represented his district in the Congress of the United States.

J. W. EMERSON,  
Chairman of Committee.

On motion the report was received and adopted.

Roll of counties for nominations was then called.

Martin Neiser, of St. Louis county, nominated Hon. M. L. Clardy for Congress, 10th District of Missouri. Mr. Neiser's remarks accompanying the nomination were eloquent, well chosen and full of sound Democracy.

The nomination was seconded by Hon. J. W. Emerson, of Iron county, who added his testimony to the worth and ability of the nominee.

J. H. Wagner, of Jefferson county, moved that Hon. M. L. Clardy be nominated by acclamation, which motion was unanimously and enthusiastically adopted, and a committee of three was appointed to wait on Mr. Clardy and bring him before the Convention.

On motion the following committee was chosen for the district: St. Louis county—Wm. F. Broadhead.

Iron county—Eli D. Ake.

Jefferson county—H. Hohenthal.

Madison county—Samuel Callaway.

Reynolds county—E. Harrison.

St. Francois county—Jasper N. Burks.

Perry county—Robert M. Wilson.

Washington county—James Long.

Ste. Genevieve county—William F. Cox.

Fifth Ward—Frank Varrelman.

Seventh Ward—Frank C. Kossman.

Ninth Ward—John C. Scott.

Eleventh Ward—Andrew J. Heinrichs.

Twenty-First Ward—Paul M. Hunt.

Twenty-Second Ward—John Rolfus.

Twenty-fourth Ward—Donald Glusk.

In the absence of the committee the convention was entertained by a characteristic speech by the Hon. Nat. Calhoun, of St. Louis.

Hon. M. L. Clardy was then produced and introduced to the convention by the chairman, amidst the greatest enthusiasm.

He stated that it was his intention upon his return from Washington not to seek a renomination as private matters need his attention, and he had been led to believe that some of his constituents were dissatisfied with him for his supposed responsibility for the retention of Republican office-holders.

But he had found that his fears were not well grounded as the most unsolicited encouragement commenced coming in from all over the district, which showed conclusively that the Democrats of the Tenth District held principal more sacred than patronage. This was the fifth time he was before them to thank them for this honor.

Repeated calls were then made for Hon. Jasper N. Burks, of St. Francois county, who got up and congratulated the Convention on its work and the harmony of its proceedings. The Convention then adjourned.

MICHAEL CALAHAN,  
Chairman.  
ELI D. AKE,  
Secretary.

HENRY BURNS, Assistant Sec'y.

Ignorance or Greed.

"In this country it is useless to fight silver," says that solid old Southern journal, the Atlanta Constitution.

Our contemporary would also have been right if it had said that the war against silver originated and has been maintained chiefly through misinformation, avarice, obstinacy, stupidity, and hallucination.

That is, when reduced to the simplest form of statement possible, the anti-silver crusade rests either on ignorance or greed.

There is much less ignorance on this subject now, though, than there was a year or two ago.—N. Y. Sun.

A Child Healed.

My little daughter, at the age of five years, was afflicted with a very painful and disfiguring eruption on her face that baffled the skill of the physicians. I gave her Swift's Specific, and less than one bottle cured the disease entirely.

From a Grateful Heart

Early in October, 1884, I was taken with inflammatory rheumatism so that I was confined to my bed, and could not even move the toes on one of my feet. I could not bear to have my clothes changed or to be handled in anywise. With all the remedies administered I found no relief. A friend, seeing the advertisement of S. S. S. as a rheumatic cure, secured some for me. This was in February, 1885, and after taking six small bottles I noticed a change in the feeling of the limbs, and could turn over in bed almost without assistance or pain. After a dozen bottles had been used, I could walk on crutches. I am now able to walk without crutches, and to do the cooking for a family of four, and nearly all the housework. Mrs. FANNIE JAMES.
